

Airbus Summit 2022

**You care about the environment. You wonder how we can change the world ?
You want to know more about solutions to move towards sustainable aerospace.**

Don't miss the opportunity to join the Airbus summit 2022 on **November 30** and **December 1st 2022** ! Business leaders, partners, and industry experts will exchange ideas and debate about exciting topics including : Exploring the potential of the Moon, decarbonising the aviation industry, powering an aircraft with hydrogen, improving aircraft performance through hybridisation, clean vertical flight, achieving net-zero carbon emissions, how Urban Air Mobility (UAM) can be a lifesaver, European Defence and Security.

A promotional graphic for the Airbus Summit 2022. The background is dark blue with a colorful, abstract light trail on the left side. The text is white and organized into two columns for Day 1 and Day 2. The Airbus logo is in the bottom right corner.

AIRBUS SUMMIT 2022
Gathering pace towards sustainable aerospace

#AirbusSummit

Day 1 (CET time zone) 30 November 2022	Day 2 (CET time zone) 1 December 2022
9.00 - 10.00 What's next in space	9.00 - 10.00 Together towards net-zero
10.00 - 11.00 Decarbonising now	10.00 - 11.00 Building a stronger Europe
11.30 - 12.45 ZEROe unfiltered	11.30 - 12.30 How can UAM be a lifesaver
13.45 - 15.00 Let's get hybrid	
15.30 - 16.30 Towards clean vertical flight
