

J E M A R O

Erasmus Mundus Joint Master Degree (JEMARO)

Centrale Nantes (France) and Keio University (Japan)

This 2-year integrated programme offers high-level academic and industrial training across the fields of **Advanced Robotics** and **Artificial Intelligence**.

We are happy to inform you that the students can apply to this program until **January 31, 2020**.

In a few words, here are the highlights of this unique programme. The students can

- Spend their M1 in Europe and their M2 in Japan with co-supervised research between Europe and Japan
- Attend expert-taught courses (fully taught in English)
- Get two master's degrees: one from a European institution and one from Keio University
- Benefit from attractive Erasmus Mundus Scholarships (that cover the tuition fees, travel and living expenses, insurance)

Application deadline to receive Erasmus Mundus Scholarship is January 31, 2020 on <https://master-jemaro.ec-nantes.fr/>

JEMARO was jointly designed and is fully supported by 4 major Higher Education Institutions in Japan and Europe awarding master's degrees:

- Centrale Nantes, France
- Keio University, Japan
- University of Genoa, Italy
- Warsaw University of Technology, Poland
