

EESC • USP[®]
São Carlos School of Engineering
University of São Paulo

Production (Industrial) Engineering Department here at São Carlos School of Engineering
- University of São Paulo

is offering a discipline called

"Frontiers in Production Engineering"

in a online basis in English. Exceptionally at this moment, we are not receiving presencial students this semester, due to the serious coronavirus pandemic here in Brazil.

However, your students can enroll in that discipline, once it will be offered **online, in English, completely free of charge**. In the end, the student will receive a Transcript of Records from USP with grade and credits.

For more information and the form for inscription please consult:

<http://www.saocarlos.usp.br/course-online-on-frontiers-in-production-engineering-for-undergraduate-students/>

Start of the course: April 15th

End of the course: July 29th

Time schedule: Thursdays, from 16:00 to 18:00 – Brazilian time – BRT = GMT – 03:00
