

Registrations for the [TU Berlin Summer University Online 2021](#) are now open!

Our intensive and interactive online program runs from July 5th to August 27th, where students can participate in courses of either 2 or 3 weeks across the fields of science, technology, engineering, architecture and business, such as:

[Cognitive Engineering](#)

[Innovation & Entrepreneurship](#)

[Python for Engineers](#)

[Space Mission Design](#)

[Extended Reality: Design & Development](#)

and many more! [View our full program online.](#)

Students who [register](#) before **April 1st** will receive an early bird discount of 50€ per course.

Please contact us should you have any questions at all about the program.

We look forward to seeing your students online soon.

Best wishes from Berlin,

Beth Sibly
